AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (Currently Amended) An absorbent product comprising a package and at least n absorbent articles contained in the package, wherein n is greater than 10, each of the absorbent articles having a body contacting surface and a garment contacting surface opposing the body contacting surface, each of the absorbent articles comprising:

a component material disposed between the body contacting surface and the garment contacting surface, the component material having a an inkjet printed graphic which is seen through either the body contacting surface or the garment contacting surface;

wherein the inkjet printed graphic is printed online, wherein the printed graphic of each of the n absorbent articles is different from the graphic of each of the remaining absorbent articles, and wherein all of the printed graphics of the n absorbent articles have a predetermined association.

2. (Original) The absorbent product of Claim 1, wherein the predetermined association includes a predetermined order and the n absorbent articles are stacked in the package in accordance with the predetermined order.

3. Withdrawn.

4. (Previously Presented) The absorbent product of Claim 2, wherein the predetermined order is selected from the group consisting of an order illustrating story, an order for daily activity, an order for educational training, a sequential indication means,
